* Description						
* Description	<p>This course is a practice course available for undergraduate translation majors at School of Foreign Languages. Translation majors are supposed to master certain knowledge and skills in translation and have sufficient translation work in practice. This course is to guide the undergraduates to select texts of different genres and specializations as translating tasks, gathering experience, summarizing skills, and concluding strategies in translation.</p> <p>The undergraduates are supposed to choose the texts for translation in a certain field based on their own preferences. Under the guidance of their instructors, they should meet the requirement of this course in terms of quantity and quality.</p> <p>This course is to equip the undergraduates with skillful expertise in translation and lay a solid foundation for their undergraduate theses and the future job as translators.</p>
