	compulsory				
	Freshman				
	German and Chinese				

	<p>As a major foundation course for German majors in the first year, this course puts together language knowledge like pronunciation, grammar, vocabulary and language skills like listening, speaking, reading and writing, so as to develop students communication skills. This is done from a pragmatic approach, i. e., language situations, purposes of communication, genres and themes. It covers German pronunciation, basic grammar, basic vocabulary, word building, situations and culture of German-speaking countries, listening comprehension, topic-specific conversations and writing. Explanation of language</p>
--	--

points, single-and-multi-purpose language training and real-life application are carried out for language purpose. The course also helps students improve their listening, speaking, reading and writing, as well as cross-culture communication, analysis & review and thinking in German, thus laying a solid foundation for their future study.
